Leicester's Hospitals are launching a new programme of events which will take our senior staff out across Leicester, Leicestershire and Rutland. This is a chance to meet face to face with the people that run *your* hospitals. During the event we will be letting you know all about how local healthcare is changing and what this means for our hospitals. Above all, we will be using the opportunity to listen to your thoughts and concerns.

**Please come along and join the conversation
Refreshments will be served**

There is no need to book a place, but if you would like any further information please contact Karl Mayes, Patient & Public Involvement Manager on karl.mayes@uhl-tr.nhs.uk or telephone on **0116 258 8685**
